

WHAT TO PACK

Brolly, camera and sun lotion/hat are standard, as well as a small water bottle to refill at the Drinking Points throughout the Grounds. Something to sit on is also advisable for "Henman Hill/Murray Mount" to avoid a wet derriere!

WHAT TO WEAR

With the exception of John McEnroe's ourburst in 1981, there's nothing more changeable than the beloved British weather. Be prepared for heat waves/mini monsoons with layers and comfy shoes are a must as there can be a lot of walking.

TIMING TIPS

Seats for the outside Courts are unreserved so if there is a match you desperately wish to see, make sure you get there in plenty of time. Show Court games (Centre, 1, 2 and 3) start on the dot so make sure you arrive in plenty of time.

COULDN'T GET CENTRE COURT?

If you're at Wimbledon for Finals weekend, you can catch the action on Centre Court via the Big Screen located opposite "Henman Hill/Murray Mount". Get there early to get a good spot!

BEFORE YOU GO

The night before you visit, watch the TV highlights to find out who will be playing and on what Court for the following day. The Order of Play is also in the official programme which can be purchased in the Grounds or via the huge Score Board located near to Centre Court.

WIMBLEDON ETIQUETTE

Noisemakers, rattles and klaxons are not the order of the day, and neither are signs or flags larger than 2 foot, so don't get over enthusiastic with your Union Jack! Before a match switch your mobile phone and camera flash off, don't woop during a rally, and unless you want to be frowned upon, don't applaud a net call or double fault.

AND FINALLY...

If travelling by train, don't pay out extra for a cab or bus - the Grounds are only a 10-15 minute walk away and the promenade can be quite exhilarating if the weather is good. Also, get your ticket scanned when leaving the Grounds. This means that a new ticket can be generated and sold for a nominal charge for charity.

WIMBLEDON PARK

PICNIC RULES

Avoid the £2.50+ per punnet of strawberries by packing your own picnic. You're allowed to take a 40cm x 30cm x 30cm bag and 1x bottle of wine or 2x 500ml cans of beer. Do note that no hard-sided items such as picnic hampers, coolboxes or briefcases of any size are allowed in the Grounds.
